## DECREE OF HEROIC VIRTUES

Pierre-Bienvenu

Noailles

wanted his Association to form one single Family with one heart and one soul...

He wished us to be a sign and leaven of faith and unity in the Church and in broken and dechristianized world.,

**T**he painful world events that we are experiencing during these last few months are a new impetus which awakens our commitment, our self-giving to God's mission in the Holy Family, *our desire to live and proclaim "what we have seen and heard..."*<sup>1)</sup>

Each one of us lives this according to her/his vocation, in line with the reality that surrounds us, but with the same aim and the same spirit. It is a journey that we make together "... living under the common law....sharing with them all the trials, dangers and fatigues of the journey"<sup>2)</sup> And "...responding in those places where life is threatened"<sup>3)</sup>. Aware that "Jesus' sacrifice on the cross is nothing else than the culmination of the way he lived his entire life, we wish

*To enter fully into the fabric of society, sharing the lives of all, listening to their concerns, helping them materially and spiritually in their needs, rejoicing with those who rejoice, weeping with those who weep; arm in arm with others, we are committed to building a new world. But we do so not from a sense of obligation, not as a burdensome duty, but as a result of a personal decision which brings us joy and gives meaning to our lives.*<sup>4)</sup>

Pierre Bienvenu Noailles encourages us: ... "Let nothing hold you back ... go forward!"<sup>5)</sup>

## GRACES RECEIVED

**NOTHING CAN NOW  
HOLD YOU BACK.**

**GO FORWARD!**

Pierre Bienvenu  
NOAILLES

(Preface 1851)

**F**or a while now, I consider myself in debt to the Good Father because I have received many favours and I wish to express my gratitude publicly. I always have recourse to him when I find myself concerned about something and truly he listens to me and helps me. The first thing I want to thank him for is: a family meeting which could have been very tense but which, thanks to his intercession was very peaceful. A son was on the point of breaking off relations with the family but then, little by little understanding came and now he is reconciled. And a very good friend received the news from the doctor that she had only three months to live because she had cancer. We prayed for her through the intercession of Pierre Bienvenu Noailles. Seven months ago she was operated on and she is now living a normal life to the joy of everyone. It was a very great grace.

**I**suffered a great deal because of problems in my knee. I confided my situation to Pierre Bienvenu Noailles and I have felt the benefits of his intercession.

In 1985 I had a very important operation but everything went well.

Then in 2005 I had to have an operation on the same knee and I prayed to Pierre Bienvenu Noailles.

It was a very delicate operation and up until this day, I am feeling very well. I have received a special favour and I wish to give thanks publicly.
